Dear Jan,

Thanks for your letter of the 4th.

I had not heard of any reruns of last year's Pacifica assassination-commemoration broadcast. Perhaps it was only your local station, which used an existing tape.

The moderator was worse than the sinceOsilent Jean Davison because the moderator was supposed to be impartial and wasn't.

You ask again if I am doing another book. As I've told you, if and when this happens you will be notified automatically. Please do not keep asking me because there is now even more of a limit to the time I can work and I do not want to be confronted with either a waste of time on one hand or seeming to be impolite by not writing on the other.

If I had not told you, as I thought I had, I'm 71, in impaired health, must spend an appreciable part of every day in therapy and can't use the remaining time as effeciently as before.

Sincerely,
